POLICY DOCUMENT ON ENVIRONMENT AND ENERY USAGE:

The Environment and Energy usage policy of Swayam Siddhi Mirta Sangh's Degree college is to manage energy in a systematic manner in order to minimize its negative impact on environment. The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out the alternate resources as solutions to energy crisis. This Environment and Energy policy is binding for all the components of the institution and all its stakeholders and to the various activities undertaken by the institution. The college regularly conducts environment and green audits and various initiatives and programs to protect the environment.

Policies:

1. To assess our usage of energy and measures its impact on environment and surroundings.
2. To minimize local air pollution by urging stakeholders to use public transport, eco-friendly vehicles.
3. To Install LED blubs in campus to save energy.
4. To develop systematic waste (Dry, Wet and E-waste) management mechanism.
5. To undertake tree plantation drive.
6. To take additional measures to continuously improve energy consumption.
7. To engage in dialogues with government agencies, municipal corporations, affiliating university and local organizations and work actively in the areas of environment, energy and sustainable development.
8. To provide information and training on energy saving measures.
9. To offer opportunities to all stakeholders to engage in initiatives which contribute to environmental protection.
10. To train our staff and students to take green initiatives and plant a tree every year.
